## DOMESTIC RENTAL AGREEMENT

Date: \_\_\_\_\_

\_\_\_\_\_ (Client) wishes to rent a Vincent Model \_\_\_\_\_ at the rate of US\$ \_\_\_\_\_ per week. In addition the freight to and from the test site will be paid by the Client. Equipment rental charges and freight are billed monthly by Vincent. 50% of rent paid will be applicable to purchase.

This rental agreement can be canceled at any time by simply returning the equipment to Vincent. Please call to advise Vincent in this event.

The Client will supply labor for modifications and maintenance, while Vincent will supply parts and engineering, at no charge. Upon return of the machine Vincent will perform any needed repairs in the Tampa Works at no charge to the Client.

Safety training of operators is the responsibility of the Client. The principal items, in addition to proper electrical hook-up, are (1) hands must be kept out of the inlet (especially of Screw Presses), and (2) hands must be kept out of discharge (especially of Fiber Filters and Shredders).
